

PTSA Membership & Family Contribution Form

Tesla STEM PTSA Membership

- **BE CONNECTED!** There's no better way to know what's happening in your school.
- **BE A ROLE MODEL!** Joining PTSA demonstrates to your student the importance you place on education.
- **BE INVOLVED!** PTSA membership makes you a part of the largest volunteer child advocacy association in the nation.

Tesla STEM PTSA Family Contribution

Time spent on fundraising is time NOT dedicated to volunteering for the benefit our students. For this reason, PTSA asks for tax-deductible cash donations. The suggested donation per family is \$200 (before matching funds).

Tesla STEM PTSA recognizes not all families can contribute equally, but every family is encouraged to consider donating the suggested minimum or more to continue enhancing the educational environment for all our students.

Double Your Gift!

Tesla STEM PTSA is a 501(c)3 non-profit corporation. Ask your employer if they match donations and/or membership fees.
