Get ready for the ultimate Senior Celebration—your last big hurrah with friends before heading off on your next adventure! Whether you're up for action-packed activities or just want to chill, there's something for everyone. Challenge yourself on the 3D climbing wall, dominate in laser tag, crush the crane yard obstacle course, or show off your skills at volleyball, blacklight dodgeball, basketball, or gaga ball. Prefer to take it easy? Grab some s'mores by the fire pit, hang out with your friends, and soak in the vibe—or hit the dance floor for one last party together. Delicious food, drinks and dessert will be provided to fuel your night, and we'll take care of transportation with buses to and from the event.
